

Join me Monday at the Kroger "Bistro" (upstairs @ the Buffalo Speedway/59 location)... bring your marketing questions or challenges for discussion and brainstorming!

**Monday, June 27th
10am - Noon**

Everyone is invited to be there to share their marketing opportunities. Each one gets a chance to talk about their business, their marketing question, or an upcoming event or campaign. We all provide feedback in the way of brainstorming, creatively thinking and making suggestions, validating or critiquing the opportunity for them. We support them in areas of marketing such as - target audience, message, media attention, and marketing ideas.

There is no charge and no reservations needed - just stop by!

If you are not familiar with this Kroger store, they have a coffee shop upstairs above the bistro in the mezzanine section. The space comes with free WIFI and a quiet ambience for doing business or hanging out with friends. To access the Bistro, go to the right at the front of the store, pass the ready-made deli/drink case to find the stairs.
